Come On In ~ We're Open!

The well-being of our patrons and staff, cleanliness of our family-owned/operated store, and freshness of our products have always been and will continue to be of the highest priorities. We are keenly aware of the mounting concerns surrounding the spread of coronavirus (COVID-19) and want to assure you that guidelines provided by the CDC, WHO, and VDH are being followed here.

The steps taken to help protect your health when visiting our store include disinfectant cleanings throughout the day with special focus on high-touch and highly trafficked surfaces like door handles, checkout counters, bathroom surfaces, product displays, telephones, public lighters, cutters, etc.

Our team members are always encouraged to stay home if unwell and follow the CDC's guidelines regarding hand hygiene, coughing and sneezing etiquette, and maintaining a respectful distance from our customers and each other.

We are more than happy to answer any questions or concerns you may have, but hope you are assured that Milan Tobacconists is a clean, safe, and spacious haven in which to relax and enjoy your purchases.

Alternatively, our secure website MilanTobacco.com is always available to you and free "Curbside Pickup" has just been added to the selection of shipping options for our local customers. Curbside Pickup is also available by calling us to place your order during our posted business hours.

Our thoughts are with all of our customers, near and far, as COVID-19 continues to disrupt lives around the world, and we hope you are taking precautions to keep yourself, your family, and community safe. Please take care and we look forward to serving you again soon.

Warmest regards,

David and Renée Meyer
Owners
